ACADEMIC INFORMATION

Student Scheduling: Drop and Add Policy

The high school counseling staff promotes careful planning for course selections.

Students, parents, and staff should understand that changes in student's schedules would only be made on rare occasions. Students have signed up for their classes with the understanding that their selections will comprise their schedules. They have declared alternatives in the event that conflicts occur, and parents have signed their selection sheets.

Valid reasons for changing a schedule:

- Errors in a schedule
- Pre-requisites not met/failed courses
- Legitimate change in career focus
- Summer school courses taken
- Test out credits

Drops may be made during registration and the first week of each semester. Schedule change request forms are available in the Student Services Office. A decision will be made by the counselor after consulting with the student and possibly the principal, teachers, and parents. Students will be contacted as soon as possible about their request. Students are expected to follow their current schedule until a change (if a change) is made.

- Changes will begin on the second full day of school and will conclude at the end of that week.
- Drops made after this one-week period will be rare and at the discretion of the counselor and principal. A student dropping after this official drop period will receive a "WF" for the semester unless the drop is a staff request, in which case the student will receive a "WP". In either case, this designation will appear on the student's transcript.
- Unusual circumstances will be dealt with on an individual basis by the high school principal.

Grades

The key to grades is as follows:

A+ = 100.5%	A = 93%	A- = 90%
B+ = 87%	B = 83%	B- = 80%
C+ = 77%	C = 73%	C- = 70%
D+ = 67%	D = 63%	D- = 60%
F = 0%		

Retaking a Class

A student has the option of retaking a class for better understanding of the subject and/or for a better grade. The highest grade achieved will be used for transcript purposes (GPA). The equivalent of one class credit will be awarded.

Homework

Homework is a necessary part of each pupil's educational program. Each student must be expected to spend some time in addition to scheduled class instruction to achieve satisfactory work. Daily homework should not be viewed as punishment, but rather as a way to encourage and extend learning.

Extra Help

Students may always seek extra help from their teachers if they do not understand any assignments and class discussions. They should arrange a conference with their teacher before or after school or at a time convenient to both of them during the day.

Graduation Requirements

One half credit will be granted for each successfully completed semester course. Advisory period is worth .25 credits per year. Students can earn 6.25 credits each school year and 25 credits over 4 years. Students need 22 credits to graduate. Whitehall High School offers many options for students to earn their 22 credits. Included in those options are [Career Tech programs](#) offered through the CTC, [Dual Enrollment courses](#) offered through Muskegon Community College, [Early College Program](#), and [Internships and job shadowing](#) opportunities through the Muskegon Made Program

Final Class Rank and G.P.A.

Final class rank and G.P.A. is based on cumulative grades through the end of the 1st semester of the senior year. It is the responsibility of the student to notify the student services office if they believe their final grades will change their honor status

Advanced Placement (AP) courses

WHS offers 9 AP courses: AP Literature, AP Language and Composition, AP Psychology, AP Environmental Science, AP Physics, AP Chemistry, AP Calculus, AP U.S. History and AP Statistics. Students may also take any AP course offered through Michigan Virtual. All AP students will earn a grade on a 5.0 weighted grading scale. If a student drops at the end of the first semester OR if the student does not take the AP test in May, they will not earn their grade on the 5.0 weighted scale. AP students must pay for each AP test. If the student scores a 3 or higher, the student will be reimbursed for their test fees.

Distinguished Scholar Honors

The highest academic achievement a student can earn is the status of Distinguished Scholar. To earn this honor a student must earn a cumulative GPA of 4.0 or higher, score 1200 or higher on the SAT and take at least 2 AP courses.

Policy on Early Graduation

Four school years of attendance are required for graduation except in special cases. The procedure for special cases is as follows:

- A. A formal application co-signed by parents or guardians must be made by the end of the junior year.
- B. Student and parents request an interview with the principal and counselor.
- C. The student must have successfully completed all required courses at the time of graduation as specified under graduation requirements.
- D. Each case will be presented to the superintendent for approval.

Right to Request a Personal Curriculum

Pursuant to Public Act 209 and the Revised Michigan School Code, a pupil's parent or legal guardian or, if the pupil is at least 18 years of age or is an emancipated minor, can make a request for a personal curriculum to modify the Michigan Merit Curriculum based on the individual learning needs of the student. Upon said request, the school district shall develop a personal curriculum for the pupil. Requests should be made to the school office in which the student attends.

Attendance

Whitehall District Schools believes that a student's presence in the classroom is a critical part of the learning process. When a student is present, it aids in instilling concepts of self-discipline and responsibility, and exposes students to group interactions with teachers and fellow students. Such presence also enables students to hear and participate in class instruction, discussion, and other related learning experiences.

Types of Absences

1. Excused Absences
 - a. Absences because of illness, doctor/dentist appointment, death in the family, or an emergency reported to the office by the parent. It is the student's responsibility to report to the teacher and to receive assignments missed during an excused absence.
 - b. Pre-Excused (vacation requests) - To determine whether the absences are to be excused, application should be made prior to intended absence. Students should check with teachers about missing work prior to absences.
 - c. School Business – Students on field trips or out of the building with a teacher for a project, etc., will not be marked absent.
2. Unexcused Absences
 - a. Examples of unexcused absences are: skipping, haircut appointments, baby-sitting, shopping, or activities of a similar nature.

***The school reserves the ultimate right to determine what is excusable.**

Excessive Absences

An excessive degree of absences, excused or otherwise, will be subject to the review and limitation by the principal and teachers. Excessive absences may require a doctor's statement to be excused. Special handling for long-term illness will be granted only at the discretion of the principal. Unexcused absences will be considered as truancy and students may receive a zero grade for the class periods affected. Per Muskegon County Prosecutor's Office, students with 5 or more unexcused absences will be considered truant. **Excessive absences, without medical release, can also lead to prosecution for truancy.**

Tardies

Students are expected to be on time to all classes. When a student arrives at school after classes have begun, he/she must go to the office and sign-in. The student will be given an unexcused tardy unless a parent/guardian signs him/her in, sends a note, or calls. Tardies will accumulate for each marking semester. Tardies will be given for up to 10 minutes into the hour. After 10 minutes it becomes an absence.

Tardies will be handled in the following manner:

- 1st tardy = warning
- 2nd/3rd tardy = Teacher Intervention (i.e. lunch detention, parent contact)
- Excessive tardies = Further disciplinary action from administration.

Leaving School for Illness, Appointments, etc.

In the event of illness or doctor's appointment, students must sign out in the office. NO student may sign-out without written permission from a parent or guardian or a telephone call from a parent or guardian. Students will not be released to anyone other than those specified by the parent/guardian.

In NO case may a student leave the school without permission of the office, even during lunch - NO EXCEPTION! Whitehall High School is a CLOSED CAMPUS.

Athletic Information

PHILOSOPHY STATEMENT

We believe that Whitehall District Schools' athletes should compete honorably while representing their team, school, and community. With appropriate attitude, dedication, and leadership, they will contribute positively to school spirit and community pride. To accomplish this, we encourage the cooperation of athletes and parents.

Participation in athletics is a PRIVILEGE and when student-athletes participate on an athletic team, those individuals assume the responsibility of being team members.

The responsibilities include:

- Being aware that he/she will be expected to act as a positive force in the school.
- Following the code of conduct in the athletic code of ethics and student handbook.
- Complying with team rules and policies.
- Maintaining academic eligibility.
- Maintaining a positive attitude.
- Understanding his/her role as a team member.

Team members and their parents need to understand that not all athletes will RECEIVE equal playing time. There will be an emphasis on participation for all athletes at the middle school and freshmen levels. As the athlete moves to the Junior Varsity and Varsity levels, parents and student athletes must understand that playing time depends on the athlete's ability of the participants and team needs in that particular sport as determined by the coaching staff. Our athletic philosophy encourages our teams to compete for league championships and continue in state MHSAA tournament play as far as possible.

ATHLETIC ELIGIBILITY POLICY

The Michigan High School Athletic Association (MHSAA) establishes a baseline standard for all schools in Michigan. To be academically eligible to compete at the high school level, students must be passing 66% of credit load potential for a full-time student. The period of ineligibility for not meeting this standard at the end of a grading term is the "next semester or 60 scheduled school days in schools not operating under a trimester system." At Whitehall High School this means that student-athletes must pass 4 of 6 classes the semester prior to sport.

In addition to the MHSAA standard, student athletes at WHS must maintain a minimum of a 1.50 GPA in the previous marking period to be eligible for the next sport season. Once a season begins, grades will be checked every three (3) weeks. To maintain eligibility, students must meet the MHSAA standard of passing 4 of 6 classes. When an athlete falls below this standard, he/she is placed on probation for three (3) weeks and forfeit eligibility. If, during the next three-week grade check, the student is passing 4 of 6 classes, he/she may be able to resume competition.

Attendance - an athlete must be in attendance at least three (3) class periods during the school day of the scheduled athletic practice or event unless the absence is approved by the athletic director in advance. Absences due to doctor/dentist appointments and bereavement will not be held against the athlete.

SOCIAL MEDIA

Social Media Rules/Guidelines:

Coaches reserve the right to investigate claims of social media misuse, but are not responsible for monitoring student social media. In such cases that it is claimed that an infraction/misuse has occurred, the coach will provide the player the opportunity to share/discuss the social media posts. Offensive content or misuse may lead to consequences that impact player participation. As always, the intent and the egregiousness of the misuse will be taken into consideration.

All athletes will have the opportunity to participate in a session with the athletic director/coach/designee where these appropriate social media norms will be shared and the expectations for positive, competitive, and appropriate athletic conduct will be established as it relates to social media. The Social Media Notice should be discussed by coaches at the beginning of the season and is a great guide to use in terms of appropriate use of social media by Viking players and coaches.

Do not post information about specific student-athletes, whether from WDS or another school, unless it is related to an award or honor. Please follow common sense privacy guidelines and good taste. Refrain from talking about internal matters of your program, Whitehall District Schools, the West Michigan Conference or the MHSAA. Practice generosity. Disparaging remarks about another person's political views, religion, or gender are off limits.

Whitehall District Schools understands that the use of electronic devices, the internet and social networks have a valid and useful purpose, but they can be disruptive when used inappropriately. It is the expectation of Whitehall District Schools that student-athletes understand the consequences of inappropriate use can result in the loss of athletic eligibility.

ATHLETIC CODE

The following Athletic Code of Conduct has been adopted and placed into operation by the Board of Education of Whitehall District Schools. This code will be explained and discussed by each coach at the beginning of each sport season. Each and every student-athlete at Whitehall High School will be expected to conduct themselves in a positive fashion and represent their team appropriately. Failure to do so can, and will negatively affect eligibility status.

Athletics are recognized as an important part of the total school program. Athletic teams provide the focus for many of the school's activities each year. Regardless of win and loss records, athletes stand in a significant position in setting the example of conduct for school and community alike.

Whitehall District Schools Board of Education, administration, coaches, and athletes agree that an athlete should set an example for the youth of the community, the student body, and the entire community at large.

Any report of sexual harassment will be investigated and a written record filed.

If it is determined that a student has sexually harassed another student, the possible consequences to the offending student include:

1. Parent conference

- b. Automatic suspensions will be given out for the following even though they may be first time violations: Use of controlled substances (drugs, alcohol, tobacco products), fighting, obscenities, insubordination, and others as deemed necessary. Parents shall be notified of this action prior to its implementation whenever possible.

- c. The students have the right to appeal the suspension to the superintendent. If not satisfied at that level, the suspension may be appealed to the Board of Education. In the case of an appeal, the student will remain in school until the appeal is heard.

3. Expulsion

- a. Removal from school shall be on a permanent basis. This action may be taken by the Board of Education only after an opportunity for a hearing is given. The hearing date will be set by the Superintendent of Schools. She/He will notify the parties involved as to their right of counsel and to the procedure to be used during the hearing.

**** Due Process:** When a teacher or administrator takes disciplinary action against a student, students have the following rights:

- To be informed of the reason for the action.
- To present any facts that will support their defense.
- To have a hearing to discuss both sides of the issue and/or the appropriateness of the action.

The purpose of the media center is to provide students and teachers with computer access, library materials, and service most appropriate for their needs, to stimulate and guide students so they may find increased enjoyment in their reading, and to help students become skillful in using their media center. The media center should be treated like any other classroom and expectations should be consistent. Students will be charged for any misuse or loss of materials or books.

Medication

Students should not have medication in school that has not been cleared by the office. IT IS AGAINST STATE LAW FOR SCHOOL PERSONNEL TO GIVE MEDICINE SUCH AS ASPIRIN, COLD PILLS, ETC., TO STUDENTS WITHOUT WRITTEN PARENTAL PERMISSION. - Items used to disrupt or interfere with the educational process are suspected student possessions.

Any section of this document, or portion thereof, found by adjudication to be contrary to law or constitutional rights shall be stricken without effect to the remainder.

Student Drivers

Driving to school is a privilege at Whitehall, reserved for sophomores, juniors, and seniors. If there is a request by a freshman to drive to school, it must be in writing by a parent/guardian showing support for the students' need to drive and addressed to the assistant principal. Students must register their vehicle. One permit will be issued for each student. Students needing to transfer a permit to a different vehicle must provide the new information to the main office. Vehicles without the appropriate permit properly displayed may result in loss of driving privileges. Repeat offenders may be towed at the owner's expense. Permits are not transferable to another student. Students may park in designated areas only.

*Annual Fees: Student Permit – Student permit - \$10.00 if purchased by Sept. 10. Parking permits purchased after this date will be \$15. New drivers during the school year - cost remains \$10.00.

Students will not be allowed to “visit” their vehicles during the school day (this includes lunch), unless approved by the office or administration. Lock vehicles upon arrival at school, and do not return to the parking lot until the conclusion of the school day. **Students are not allowed to drive from the school grounds during lunch period.**

Whitehall District Schools are not responsible for damage incurred to vehicles parked in district lots. Any claims arising from damage occurring to vehicles while on school property should be made upon policy held by the vehicle owner.

Students are required to drive in a safe and responsible manner. The speed limit for parking lots is 10 mph. All forms of careless reckless driving such as: speeding, driving on sidewalks and lawns, or games involving vehicles, will result in loss of driving privileges. All State of Michigan and City of Whitehall traffic laws, codes, and ordinances are in effect and must be followed at all times.

Excessive tardiness, truancy, skipping class, and other infractions are grounds for revoking student's driving privilege. This will require the student to ride the bus or to arrange alternate transportation. Students who drive to school while their driving privileges are suspended will lose driving privileges for the remainder of the school year.

As a condition of allowing students to park on school property, your vehicle may be subject to search if the district has reasonable grounds to suspect that the vehicle may contain drugs, alcohol, weapons, or other items that may violate school rules and/or State of Michigan or federal law.

Items displayed on student vehicles while on school property that are deemed inappropriate, offensive, or derogatory shall be removed upon notice by school officials. Failure to do so will result in loss of parking privileges. No flags, except for the American or Whitehall High School flags, will be permitted on school grounds.

Snow Days

In the case of hazardous winter weather conditions, a decision will be made by the central office administration whether school will be held that day. Radio and television stations will be notified immediately to broadcast school closing. Parents who are listed in the student's Powerschool contact information will also be notified by the district Robocall system.

Transportation – School Bus

The school district provides free transportation for all students living in the district except those living within ¾ miles for the school. We expect the bus rider's cooperation in making school transportation as safe as possible by following the rules. A REMINDER THAT WHEN A STUDENT LOSES HIS/HER RIDING PRIVILEGES, HE/SHE IS STILL REQUIRED BY LAW TO ATTEND SCHOOL.

1. The driver has the same authority on the bus as the teacher has in the classroom. Cooperation is expected at all times with the driver.
2. Students are to observe classroom conduct (except for ordinary conversation) while getting on or off, and while riding the bus.
3. Students are to occupy the seat assigned by the driver and to refrain at all times from moving around while the bus is in motion.
4. It is the student's responsibility to be at the designated pick-up location five minutes prior to the scheduled time and at the bus loop on-time in the afternoon. The driver is responsible for maintenance of this schedule and cannot wait for tardy students.

5. All students shall enter and leave the bus only at the front door, after the bus has come to a stop, except in case of emergency.
6. Students are not allowed to ride any other bus without written consent from the high school office.
7. No creatures of any kind (dead or alive) shall be brought on board a bus.
8. No firearms or any other weapons (cased or uncased) or ammunition may be brought on board a bus.
9. Arrangements for visitors to ride a school bus must be made 24 hours in advance, through the principal's office.
10. Windows are to be used for ventilation and visibility only. Arms and head must never be extended, even partially, out a window. There is to be no shouting through windows or throwing items out of the windows.
11. Smoking or using any device that creates a spark or flame is prohibited.
12. Take care of the bus, as they each cost our community \$80,000 to purchase. Pick up after yourself; use the trash can at the front of the bus.
13. Cross the road ONLY in front of the bus and ONLY on signal from the driver.
14. Wait for the bus only on the side of the road on which it stops. Fatalities show the crucial need for strict attention to the regulation.
15. Eating and drinking on the bus is not allowed, with the exception of a bottle of water.

Students will be allowed to have one designated pick-up address and one designated drop-off address. This address can be home or day-care and can be changed with one-week written notice to the transportation office. Please contact the Transportation office if there is a need for multiple bus stops for your child. We will decide these requests on a case-by-case basis.

Please remember, if your child needs to go home with a friend to do homework, you will need to make arrangements to transport him/her. Students will not be allowed to ride to any location other than the one-stop designated by his/her parent.

Discipline Procedures for Riding the Bus

Responsibility for behavior on the bus is vested in the driver. Accordingly, and because it is clear that responsibility cannot be effective without proper investment of authority, the following clarifications for bus driver authority are made:

1. When a bus driver is having a problem with a rider, the driver must use the following procedure:

First Offense

- A. Verbally resolves problem with student
- B. May or may not call parent
- C. Need not inform principal
- D. Student takes conduct report with first notice checked on form, (white copy goes home, is signed and returned)

Second Offense

- A. Hands out conduct report and attaches a copy of the rules for riding the bus
- B. Bus driver will call parent
- C. Gives copy to principal/supervisor

Third Offense

- A. Driver must inform supervisor then contact the principal
 - B. Driver with supervisor/principal suspends riding privileges
 - C. Transportation office must post: student name, duration of suspension, and the bus number.
2. If a suspended student returns to the bus and again misbehaves that student must be suspended again immediately. The proper notification procedures must then be started. (Step 3)
 3. If a driver is having many problems with students or if the run is usually a "problem" run, then seats are to be assigned.

4. When children are misbehaving on the bus OR when there are threats of, or actual fighting on the bus, the driver should attempt to control the situation. Maintaining behavior is more important than the schedule.
5. Fighting will result in automatic bus suspension for three days.
6. With the exception of fighting, suspension from riding the bus will be 1, 2, 3, 5, and 10 days in progression of infractions (subject to severity).

Bus Monitoring Cameras

Monitor cameras on W.D.S. buses will only be used to assist the safety and behavioral management needs of the pupil transportation program.

Cameras will be positioned on school buses randomly or as assigned by the Transportation Supervisor. All data recorded on school buses will be treated with the utmost confidentiality by all transportation staff. All data recorded is the property of Whitehall District Schools.

Recordings will only be viewed by authorized transportation staff, administration and/or students and parents who are authorized by the Transportation Supervisor. Recordings are not for public review.

Security of all tapes will be the responsibility of the transportation supervisor.

Visitors

Parents are encouraged to visit our building during the school day. When you visit please check in at the office before proceeding to any classroom.

For our student's safety, adult visitors to the building are required to receive authorization from the office to visit any classes and/or be in the building. **No student or pre-school visitors are allowed during the school day.**
