Dear 8th Grade Families,

As we approach the end of the 2022-2023 school year, we are also approaching the end of your student's time at Whitehall Middle School. We have sincerely enjoyed our time together and what we have learned most during this time is that these kids are truly AMAZING! They have shown tremendous growth both academically and socially, and they are more than ready to transition into High School.

The last event of the school year will be our annual 8th Grade Celebration which will occur on June 7, 2023. This event culminates your student's three years at the Middle School and will be held from 8:30 am- 9:30 am. The celebration will include speeches from staff and an award ceremony. Each student will be recognized for their completion of middle school

This is an opportunity for us to celebrate your student's middle school years and thank them for the time and energy that they have put in. Due to capacity limits in the gymnasium, we ask that only immediate family members attend this celebration.
